

Cerner HealthLife is a free application available for download and installation onto your Apple or Android mobile devices using the Apple store, Google Play store, iTunes, or Cerner HealthLife website. The HealthLife application launches the MyHealthUNM patient portal from your Apple iOS or Android mobile device allowing you to:

- Access your electronic health record.
- Look up current medications
- Look up latest lab results.
- Review and/or cancel Appointments
- Message your doctor.

HealthLife helps individuals and families to stay informed, stay educated, and take a more active role in their health
