Connecting to Zoom Using Your Computer

1. Click on the Zoom link that your clinic emailed you. To automatically connect—skip to step 6.
   If using the Meeting ID and Passcode, go to the next step.

2. Enter Zoom.us in your web browser and click "Join a Meeting".

3. Enter the Meeting ID.

4. Open Zoom Meetings then Launch Meeting.

5. Enter your Name and the Meeting Passcode, then select "Join Meeting".

6. First time users will see these screens:
   1. Check "Always allow" and select "Choose Application".
   2. Select "Open Link".

7. You have now arrived in your Provider’s Zoom room. You will see one of the windows shown here.

9. You will now see your Provider on the screen and your telehealth consult can begin!
