Additional incentive

Request for use of Quality Reserves to Subsidize Incentive Subsidy from Quality Reserves (SAME AS PCI 1.0)

- · In full when wRVUs fell short of budgeted wRVUs, or
- Partially when wRVUs did not exceed budgeted wRVUs to adequately cover the incentive cost

Estimates using FY 20 3rd quarter data:

- Estimated Q3 incentives under PCI 2.0: \$121,000
- 8% higher than FY20

If FY21 performance is similar to FY20, total subsidy required = \$229,000 Request: \$500,000 subsidy from Quality Reserves in FY21

o Revenue Cycle

JP Montoya presented. RVUs down year-over-year, 4.6%. Outpatient activity has increased. Schedule reconciliations will help to capture activity.
