Department Billing Areas

Department of Anesthesiology

Billing Areas and Midas Specialty Checklists

The Billing Area is equal to a specialty or sub-specialty for which the Provider will bill. More than one may be checked off if you are working in more than one area.

The Midas Specialty is the provider's clinical specialty used by the Clinical Practice Excellence Department for internal reporting and for external UHC reporting.

If you need additional information about your Billing Areas or your Midas Specialty, please check with your department administrator.

Will this provider be billing as a Critical Care Intensivist (Non-Anesthesiologist)? ☐ Yes ☐ No
(If yes – use billing area 5110 only)
