

The screenshot shows the 'iObserver' application header with the user ID 'C4ES0Y2JH0'. Below the header is the 'Provider Search' section. It contains a message 'Please specify search criteria.' followed by three input fields: 'Last/Inst Name', 'Provider NPI', and 'Inactive Records' (with a checkbox). There are 'search' and 'reset' buttons. At the bottom of the search section, there is a link 'Log Off . Change Password'.

Once you log into iObserver, use this screen to search for a specific provider.

After your initial login (with your temporary password), please change using this link.

The screenshot shows the 'iObserver' application header. Below the header is the 'Search Results' section. It displays the search result 'Test E. Test, MD' and a 'Search Again' button with a play icon. At the bottom left is a 'Log Off' link, and at the bottom right is the text '1 provider found'.

Click the appropriate provider name

Test E. Test, MD

Verifications - Affiliations

Type	Medical Staff
Institution	Christus St Vincent Regional Medical Center *online Verif
Verified	No

Type	Current Competency
Institution	Hugh Martin, MD
Verified	No

Anything that has "Verifications –" are all the verifications we need to make a complete file to send to the Medical Staff Office to review and prepare for Credentials Committee. Please pay attention to the "Type" and "Verified" areas. The type indicates what type of item it is (i.e. Peer Reference, Hospital Affiliation, Insurance Claims history, etc.) The Verified is an indicator that the item has been received by the CVO and Verified. You will either see "Yes" or "No" in this area.

The Worksheet indicates additional items that are required to complete the application, however, not considered a "Primary Source Verification" as this information comes directly from the provider or the Credentialing Liaison. A "No" response indicates we are still waiting for the item. A "Yes" response indicates the item has been received, as well as the date it was received.
