3 Turn **right** at the stop sign to park.

4 Drive into the **West Parking Garage** (also called the Patient Parking Garage).

If there's no parking on the ground floor, you can go up or down to different levels.

There is more handicapped parking in the Neurosciences loop, Lot 4, and K Lot.

5 Take the elevator from the parking garage to the Ground Floor.

Press the "G" button.

6 Go into the spinning doors.

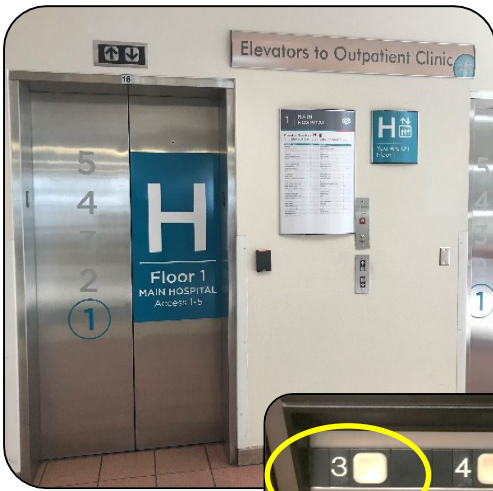

When you're inside, **go straight**.

7

You will see a ramp ahead. There are restaurants to the left of the ramp and the Emergency Department to the right of the ramp. **Go straight up the ramp.**

Look for signs that say **Main Hospital.**

8

You will walk through a set of doors at the top of the ramp. In front of you is an information desk.

Look to your right. You'll see the **H elevators.**

Take the elevators to the **3rd floor.**

9

When you step out off the elevator on the 3rd floor, **turn right.**

Lost? Call us at 505-272-1894

10

Go through the doors and **turn left**.

11

You will walk through **another set of doors**. Walk down the long hallway.

There is colorful artwork on the right side of the hallway.

12

Keep walking down the hallway.

There are windows on your left and paintings of hot air balloons on your right when you get close to the clinic.

13

You will arrive at the **Pediatric Primary and Specialty Care Clinic**. There is a sea turtle and purple squid below the clinic sign.

You will need to check in at the front desk as soon as you find the clinic.

You have gone too far if you see a coffee shop.
