

	POLICY	No.11402	
	Provider Credentialing/ Re-credentialing and Privileging	Applies To:	UNMMG

POLICY:

UNM Medical Group, Inc. (UNMMG) is committed to ensuring an effective, high quality credentialing/re-credentialing and privileging program that meets, at a minimum, the AAAHC credentialing standards for accreditation and New Mexico State Law.

- Accordingly, UNMMG does not base its credentialing decisions on applicant’s/provider’s race, color, national origin, ancestry, religion, marital status, gender, age, sexual orientation, disability, treatment specialization.
- UNMMG uniformly applies criteria to credentialing and privileging decisions.
- Providers providing services within UNMMG Clinics or working for the UNMMG Locum Tenens Program abide by the credentialing and privileging requirements defined by the supporting procedures and documents as listed below.

Supporting Procedures and Documents:

- Credentialing Work Group Charter
- 11402-A Credentialing/Re-credentialing and Privileging Procedure
 - 11402- B Failure to Renew Professional License, Board Certification, DEA and/or Controlled Substance Registration
- 11402-C Professional Practice Evaluations
- Privilege Sets
- 11188 Temporary Privileges
