Instructions

Applicant: Check off the “Requested” box for each privilege requested. Applicants have the burden of producing information deemed adequate by UNMMG for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving any doubts related to qualifications for requested privileges.

Medical Director: Check the appropriate box for recommendation on the last page of this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

Other Requirements

1. Note that privileges granted may only be exercised at UNMMG clinics that have the appropriate equipment, license, staff and other support required to provide the services defined in this document.
2. This document defines qualification to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

Qualifications for Internal Medicine

Initial Applicant - *To be eligible to apply for privileges in internal medicine, the initial applicant must meet the following criteria:*

Successful completion of an Accreditation Council for Graduate Medical Education (ACGME)– or American Osteopathic Association (AOA)–accredited residency in internal medicine

AND

Current certification or active participation in the examination process leading to certification in internal medicine by the American Board of Internal Medicine or the American Osteopathic Board of Internal Medicine

AND

Required current experience: Applicants must be able to demonstrate provision of care for an adequate volume of patients, reflective of scope of privileges requested with acceptable outcomes during the past 12 months, or successful completion of an ACGME or AOA accredited residency or clinical fellowship within the past 12 months.

Renewal of Privileges - *To be eligible to renew privileges in internal medicine, the reapplicant must meet the following criteria:*

Current demonstrated competence and an adequate volume and experience with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on results of ongoing professional practice evaluation and outcomes. Evidence of current ability to perform privileges requested is required of all applicants for renewal of privileges.

CORE PRIVILEGES: *Internal Medicine*

Evaluate, diagnose, treat, and provide consultation to patients 16 years of age and older with common and complex illnesses, diseases, and functional disorders of the circulatory, respiratory, endocrine, metabolic, musculoskeletal, hematopoietic, gastroenteric, and genitourinary systems. Request

UNMMG Internal Medicine Clinical Privileges

Acknowledgment of practitioner

I have requested only those privileges for which by education, training, current experience, and demonstrated performance I am qualified to perform and for which I wish to exercise at UNMMG Clinics, and I understand that:

- a. In exercising any clinical privileges granted, I am constrained by UNMMG Clinic and medical staff policies and rules applicable to generally and any applicable to the particular situation.
- b. Any restriction on the clinical privileges granted to me is waived in an emergency situation, and in such situation my actions are governed by the applicable section of the medical staff bylaws or related documents.

Signed _____ Date _____

Medical Director Recommendation

I have reviewed the requested clinical privileges and supporting documentation for the above-named applicant and make the following recommendation(s):

- Recommend all requested privileges.
- Recommend privileges with the following conditions/modifications:
- Do not recommend the following requested privileges:
