## [Fighting Like A Girl - Amiah's Severe TBI / DAI Survival Story | Facebook](#)

Meet Amiah! Her story can be found more on her Facebook page which is linked above if you'd like to keep up with her and how she is doing. Amiah and her family were involved in a horrific car accident in 2018. Thankfully all the members of her family in the car survived the car accident, but Amiah sustained life-threatening injuries and developed a Traumatic Brain Injury (TBI) known as Diffuse Axonal Injury (DAI). The shearing of the brain tissue, in conjunction with a pneumothorax in her left lung was the ultimate cause of her respirations to plummet and her heart to stop for about 7 min.

This caused her secondary brain injury, an anoxic/hypoxic brain injury. The oxygen deprivation was global. This second injury was more devastating to Amiah's condition as it magnified the after effects of the first injury by at least 10-fold.

Amiah has overcome so many hurdles and difficulties from this car accident but is making amazing progress at home with the help and love of her family.

"A little after 10:00pm on the night of February 17th, 2018...

Amiah's journey with a severe brain injury began...

This marks 5 years to the day that the Creator had mercy on us and returned our beautiful daughter to us...

Every day she brings something new to the day... the good... the bad... and even the tears...

But best of all... she brings the FIGHT...

Just when we think we're supporting HER journey... cheering HER on... giving HER faith and hope... and doing our best to light the way through the toughest days...

We realize it is AMIAH that is leading so many of US...

SHE is the storm carving the pathway...

SHE is clearing this life's obstacles ...and

SHE is leading us through the wreckage and devastation...

SHE is the rainbow on OUR cloudiest days... and shows us the true meaning of love...

AMIAH NAZMIN

our beloved child of light...

I'm so so so incredibly proud to be your momma!"

**Just a gentle reminder.... please, please stay in touch. Help us, Help you!**

A month can be a long time.

**Please let your nurse case manager know if anything comes up between your monthly visits.**

We **especially** need to know right away of the following:

- Hospitalization
- ER visits

In the event of hospitalization and ER visits, we want to be there to support you.

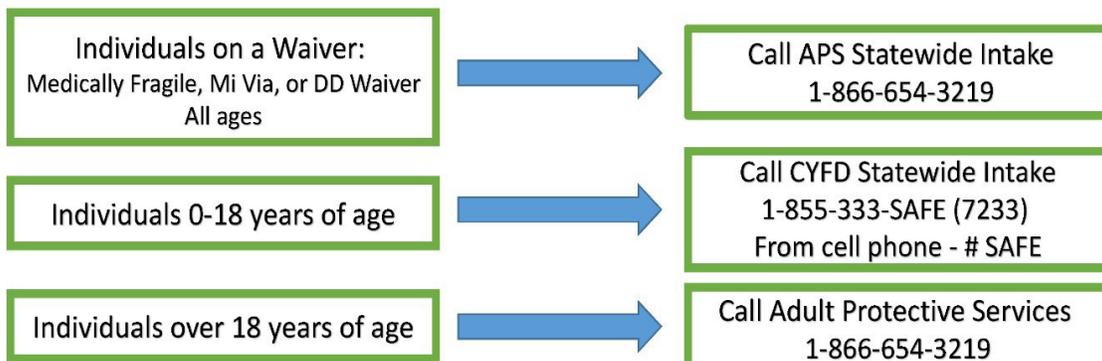

Please share with your hospital staff that your loved one is on the Medically Fragile Program. Please share your loved one's nurse case manager's name and number.

We want to help make sure you have everything you need at discharge, so it is a safe, smooth transition home.

# ATTENTION!

Beginning on 7/10/23 Masks will NO longer be required by the Medically Fragile Case Management staff for face to face visits!  
Masks will only be worn during visits if the family requests it, or the RN Case Manager does so on their own accord.

# ATTENTION!

A partir del 7/10/23, el personal de administración de casos médicamente frágiles ya NO requerirá máscaras para las visitas en persona.  
Las máscaras solo se usarán durante las visitas si la familia lo solicita o si el administrador de casos de RN lo hace por su propia cuenta.

## Med Frag Families!

We are monitoring current COVID trends and the need to return to masking, but for now masks will no longer be required by MFCMP staff for face to face visits beginning 7/10/23.

**The exceptions are if families request the RN Case Manager to mask, then the RN Case Manager will mask during visits.**

Also, if the RN Case Manager prefers to remain masked, they may do so at any time.

Due to our vulnerable population, we will continue to take necessary precautions, up to rescheduling the visit, if concerns for illness exist.

---

## ¡Familias Med Frag!

Estamos monitoreando las tendencias actuales de COVID y la necesidad de volver al uso de mascarillas, pero por ahora el personal del MFCMP ya no requerirá mascarillas para las visitas cara a cara a partir del 10/07/23.

**Las excepciones son si las familias solicitan que el administrador de casos RN use mascarilla, entonces el administrador de casos RN usará mascarilla durante las visitas.**

Además, si el administrador de casos RN prefiere permanecer enmascarado, puede hacerlo en cualquier momento.

Debido a nuestra población vulnerable, continuaremos tomando las precauciones necesarias, hasta reprogramar la visita, si existen preocupaciones de enfermedad.

# YOUR HEALTH IS OUR PRIORITY

Medicaid and SNAP Renewals are back!  
Do you still qualify? Can we help?

Maintain Medicaid - <https://renew.hsd.nm.gov/>

In response to the COVID-19 public health emergency, the federal government did not require people to renew their Medicaid or SNAP.

Due to new federal laws and guidelines, everyone will now need to renew their Medicaid and SNAP eligibility when they are notified.

How to renew:

Make sure your contact info is correct. The New Mexico Human Services Department will need your current contact information to send your Medicaid renewal packet when it is time for you to renew.

If you do not renew your eligibility, you will lose your Medicaid benefits.

Online tips:

- The fastest way to update contact information is through [online chat](#).
- The fastest way to renew is online by signing in at [www.yes.state.nm.us](http://www.yes.state.nm.us)
- If you forgot your username or password, click Forgot User ID or Password and follow the instructions to reset.
- If you have previously signed in to [yes.state.nm.us](http://yes.state.nm.us) do not click the Create an Account button. This may result in a duplicate account, and you will need to call 1-800-283-4465 to update your account before you can renew online.
- If you do not see a renew button when you sign in at [yes.state.nm.us](http://yes.state.nm.us), you will need to call 1-800-283- 4465. Your account may need to be updated before you can renew online.

<https://renew.hsd.nm.gov/qas/>

**Important:** If you previously qualified financially for Medicaid, but no longer qualify, or are at risk of losing Medicaid due to a change in financial status, please contact your Medically Fragile RN Case Manager. They can explore options available to maintaining your child's Medicaid.

## **Weaving Colors is excited to announce Dr. Joshua Allison-Burbank's presentation Part 2!**

The Autism Programs at the UNM Center for Development & Disability currently offers presentations for Native American families. The series, "Weaving Colors" will be presented the third Wednesday of each month from 1:00-2:30 pm (MT) in webinar format. Every month, a new topic will be presented to families over the internet using zoom. This free webinar series will offer an opportunity for participants to engage and discuss the topic, as well as connect with other Native families.

**\*\*The Weaving Colors training series is open to everyone and offers ASL interpretation\*\***

**Wednesday, September 20<sup>th</sup> 2023 from 1:00-2:30 pm (MT)**

**Title of Session: Honoring Indigenous Knowledge of Neurodevelopment and Childrearing**

**Presented by: Dr. Joshua Allison-Burbank, PhD, CCC-SLP**

This two-part presentation explores neurodevelopment and child development from an Indigenous lens. Cultural attitudes towards disability will be discussed and methods for improving Indigenous connectedness during interventions will be highlighted.

### Fall Outdoor Equity Education Program

Families with medically complex kids don't always have the opportunity to participate in high-quality education programs (outside of school) designed specifically with their child in mind. In our program, you'll be getting outside and learning as a family while meeting the educational (and nursing) needs of all of your kids (siblings welcome)! Nurses are on site to help provide support for medical and mobility needs.

Dates:

- Saturday, Sept 16th from 12:30-2pm
- Saturday, Sept 30th from 2-3:30pm
- Saturday, Oct 14th from 2-3:30pm
- Saturday, Oct 28th from 2-3:30pm
- Saturday, Nov 4th from 2-3:30pm
- Saturday, Dec 2nd from 2-3:30pm

### Fall Family Picnic

It's going to start cooling off so that means...PICNIC TIME! Enjoy the breathtaking landscapes at one of our favorite locations. We will have fun STEAM crafts and a delicious lunch. Please let us know if you have any food restrictions.

September 16 from 11-12:30 Picnic and STEAM crafts will be held at the Open Space Visitor Center at 6500 Coors NW, Albuquerque

Nurses will be present to help with medical and mobility needs. Please RSVP for this family event by September 8th so we can order lunch and schedule with our nurses.

### Fall Respite Program at Grace Church

September 30 from 5-8 pm

Nurses, educators, and other volunteers will ensure your child(ren) have fun while you take some time for yourself. Take a night off on us!

Up to Seven families can join. We limit families to reduce the risk of illness. Please RSVP by September 23 so we can schedule enough nurses!
